

Registration Data (Certificate) visible to the Jurisdiction Officer Post Approval

The screenshot shows a web browser window displaying the dashboard of the Central Board of Excise and Customs. The user is logged in as 'ACES Test29', a Superintendent with SSO ID 27000628, in the EXECUTIVE SET-UP zone of DELHI. The dashboard is titled 'Registration Task List' and is dated Friday, February 2, 2018. It features a 'Transactions Summary' section with a table listing 'GST Practitioner Application' (3) and 'Non Resident Tax Payer' (1). An 'Export Data' button is located below the table. To the right, a 'Stage' section shows 'Assign Jurisdiction' with a count of 3. Below these are two donut charts: 'Transaction Chart' showing the distribution between GST Practitioner Application and Non Resident Tax Payer, and 'Activity Chart' showing the distribution for Assign Jurisdiction. The footer includes copyright information for 2017 Govt. of India and version details.

This screenshot is identical to the one above but with the 'Menu' dropdown open. The menu is located on the left side of the dashboard and contains the following items: My Privileges, Task Lists, Registration, Payments, Reports, Change Formation, and Formation Task Details. The 'Registration' item is currently selected, and its sub-menu is visible, containing: Active Registrations, History, Inactive Registrations, New Applications, GST Practitioner Application, View List, Suo Moto, Suo-Moto Registration, and View Suo-Moto List. The rest of the dashboard content, including the task list, charts, and user information, remains the same as in the previous screenshot.
